

HOW IT ALL WORKS

How would we deliver this program?

Through a combination of the following,
based on your needs:

Workshops – Focused on business problems and opportunities.

Coaching – 1:1 session to break down barriers and work through roadblocks.

Online – Content to feed the mind between coaching and workshops.

Integration – We will establish the tools to get out there and get it done.

Immersive – Getting into the office and making sure the learning is practical.

Feedback – 360 degree feedback to participants from peers, leaders and direct reports.

Speakers – Guest speakers to drive greater influence, motivation and change.

Experiential – Hand on activities and projects that get outcomes and break bad habits.

Accountability – Partnering based on needs, to cement implementation.

Hack-a-thon – A two day immersive ‘tackle a big problem’ event.

Conference – Sharing the motivation and knowledge with a broader audience.

Social – An online tool that supports the ‘social conversation’ around learning.
